Translating complexity into simplicity with brand, motion, code and systems.

Experience

Shift Nudge — Creative Editor, Motion & Video

Remote · 2025–Present

- Growing the brand's audience **more than 2x, from ~40K to 88K+** followers and climbing, and have driven **2.2M+ total views** and counting with a consistent, systematic content engine
- Building repeatable content formats and Instagram-to-email funnels that have added **16,500+ email subscribers** to date
- Own the full production pipeline end to end: co-scripting with the founder, storyboarding, animating, editing, and publishing across Instagram, YouTube, TikTok, LinkedIn, and Threads
- Produce the brand's thought-leadership content, from Config talk clips to podcast features, and edited its 20-lesson **"Claude Code for Designers"** course

Independent Brand & Motion Designer — Freelance

2019–Present

- Design inside established brands as often as I build new ones, producing on-brand decks, offering memorandums, one-pagers, print collateral, social, and web pages
- Worked with **30+ clients** across industries including healthcare (ophthalmology), pharmaceuticals, real estate development, hospitality, finance, and design education (from Campari to early-stage startups)
- Experience across both **agency and in-house environments**
- Design and build brand identities and websites using the right mix of no-code and code tools (Framer, Claude Code) for each client's needs

Northern Vessel — Co-Founder & Brand Designer

Des Moines, IA · 2020–2023

- Co-founded a specialty coffee company, raised **$300K**, opened a flagship shop, and shipped a subscription app
- Built the entire visual identity and brand system from scratch: logo system, packaging, labels, glassware, signage, menus, merchandise, and social and ad creative
- Led design and delivery of the **Coffee Club subscription app** — the metro's first for a coffee shop — from concept to market in 5 months with a 3-person team, including the brand, launch assets, and co-designed UI
- Owned brand direction and marketing strategy for both the shop and the app, plus the launch campaign that drove local and national press (including a **Yahoo News feature**) and a flagship opening at **2x revenue projections**, sustained through my tenure
- Grew the subscription to ~160 active users across 900 accounts (subscribers spending **1.9x more** than non-members) and the brand's social audience **7x, to 7,000+** followers

Des Moines Does Things — Creative Manager

Des Moines, IA · 2021–2022

- Managed creative content and social strategy for **5 bar and hospitality brands**, producing cocktail photography, videography, and social content
- Expanded from content into brand design over the tenure, creating identities for **15+ new concepts, pop-ups, and activations**, along with menus and merchandise across the group's venues
